**DIANA SHIPPING INC. ANNOUNCES A NEW TIME CHARTER  
AGREEMENT FOR M/V CORONIS  
AND  
DIRECT CONTINUATION OF TIME CHARTER AGREEMENTS FOR  
M/V P. S. PALIOS WITH RWE AND FOR M/V AMPHITRITE WITH BUNGE**

ATHENS, GREECE, July 6, 2015 – Diana Shipping Inc. (NYSE: DSX) (the “Company”), a global shipping company specializing in the ownership of dry bulk vessels, today announced that, through a separate wholly-owned subsidiary, it entered into a time charter contract with Sandgate Maritime Ltd for one of its Panamax dry bulk vessels, the m/v Coronis. The gross charter rate is US\$6,500 per day, minus a 5% commission paid to third parties, for a period of minimum nine (9) months to maximum twelve (12) months. The charter commenced on July 3, 2015.

The “Coronis” is a 74,381 dwt Panamax dry bulk vessel built in 2006.

Additionally, the Company announced that, through a separate wholly-owned subsidiary, it has agreed to extend the present time charter contract with RWE Supply & Trading GmbH, Essen, Germany, for one of its Capesize dry bulk vessels, the m/v P. S. Palios, for a period of up to minimum December 31, 2016 to maximum March 31, 2017. The new gross charter rate is US\$13,000 per day, minus a 5% commission paid to third parties. The new charter period is expected to commence on September 18, 2015.

The “P. S. Palios” is a 179,134 dwt Capesize dry bulk vessel built in 2013.

The Company also announced that, through a separate wholly-owned subsidiary, it has agreed to extend the present time charter contract with Bunge S.A., Geneva, for one of its Post-Panamax dry bulk vessels, the m/v Amphitrite, for a period of about twenty-two (22) months to about twenty-five (25) months. The new gross charter rate is US\$7,700 per day, minus a 5% commission paid to third parties. The new charter period is expected to commence on July 15, 2015.

The “Amphitrite” is a 98,697 dwt Post-Panamax dry bulk vessel built in 2012.

The new employment of “Coronis,” as well as the employment extensions of “P. S. Palios” and “Amphitrite,” are anticipated to generate approximately US\$12.73 million of gross revenue for the minimum scheduled period of the time charters.

Diana Shipping Inc.’s fleet currently consists of 41 dry bulk vessels (2 Newcastlemax, 12 Capesize, 3 Post-Panamax, 4 Kamsarmax and 20 Panamax). The Company also expects to take delivery of one new-building Capesize dry bulk vessel during August 2015, one new-building Newcastlemax dry bulk vessel during the second quarter of 2016, as well as one new-building Kamsarmax dry bulk vessel and one new-building Newcastlemax dry bulk vessel during the third quarter of 2016. As of today, the combined carrying capacity of the Company’s fleet, excluding the four vessels not yet delivered, is approximately 4.7 million dwt with a weighted average age of 7.2 years. A table describing the current Diana Shipping Inc. fleet can be found on the Company’s website, [www.dianashippinginc.com](http://www.dianashippinginc.com). Information contained on the Company’s website does not constitute a part of this press release.

### **Cautionary Statement Regarding Forward-Looking Statements**

Matters discussed in this press release may constitute forward-looking statements. The Private Securities Litigation Reform Act of 1995 provides safe harbor protections for forward-looking statements in order to encourage companies to provide prospective information about their business. Forward-looking statements include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts.

The Company desires to take advantage of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and is including this cautionary statement in connection with this safe harbor legislation. The words “believe,” “anticipate,” “intends,” “estimate,” “forecast,” “project,” “plan,” “potential,” “may,” “should,” “expect,” “pending” and similar expressions identify forward-looking statements.

The forward-looking statements in this press release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, our management’s examination of historical operating trends, data contained in our records and other data available from third parties. Although we believe that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to

predict and are beyond our control, we cannot assure you that we will achieve or accomplish these expectations, beliefs or projections.

In addition to these important factors, other important factors that, in our view, could cause actual results to differ materially from those discussed in the forward-looking statements include the strength of world economies and currencies, general market conditions, including fluctuations in charter rates and vessel values, changes in demand for dry bulk shipping capacity, changes in our operating expenses, including bunker prices, drydocking and insurance costs, the market for our vessels, availability of financing and refinancing, changes in governmental rules and regulations or actions taken by regulatory authorities, potential liability from pending or future litigation, general domestic and international political conditions, potential disruption of shipping routes due to accidents or political events, vessel breakdowns and instances of off-hires and other factors. Please see our filings with the Securities and Exchange Commission for a more complete discussion of these and other risks and uncertainties.
