**DIANA SHIPPING INC. ANNOUNCES TIME CHARTER CONTRACTS
FOR M/V NEW YORK WITH KOCH,
M/V NORFOLK WITH TRAFIGURA AND M/V NIREFS WITH JALDHI**

ATHENS, GREECE, April 28, 2017 – Diana Shipping Inc. (NYSE: [DSX](#)), (the “Company”), a global shipping company specializing in the ownership of dry bulk vessels, today announced that, through a separate wholly-owned subsidiary, it has entered into a time charter contract with Koch Shipping Pte. Ltd., Singapore, for one of its Capesize dry bulk vessels, the m/v New York. The gross charter rate is US\$14,450 per day, minus a 5% commission paid to third parties, for a period of about six (6) months up to December 29, 2017. The charter commenced on April 23, 2017.

The “New York” is a 177,773 dwt Capesize dry bulk vessel built in 2010.

The Company also announced that, through a separate wholly-owned subsidiary, it has entered into a time charter contract with Trafigura Maritime Logistics Pte. Ltd., Singapore, for one of its Capesize dry bulk vessels, the m/v Norfolk. The gross charter rate is US\$12,000 per day, minus a 5% commission paid to third parties, for a period of about six (6) months to maximum eight (8) months. The charter commenced on April 26, 2017.

The “Norfolk” is a 164,218 dwt Capesize dry bulk vessel built in 2002.

In addition, the Company announced that, through a separate wholly-owned subsidiary, it has entered into a time charter contract with Jaldhi Overseas Pte. Ltd., Singapore, for one of its Panamax dry bulk vessels, the m/v Nirefs. The gross charter rate is US\$9,400 per day, minus a 5% commission paid to third parties, for a period of minimum thirteen (13) months to maximum sixteen (16) months. The charter is expected to commence on May 4, 2017.

The “Nirefs” is a 75,311 dwt Panamax dry bulk vessel built in 2001.

The employments of “New York”, “Norfolk” and “Nirefs” are anticipated to generate approximately US\$8.03 million of gross revenue for the minimum scheduled period of the time charters.

Diana Shipping Inc.’s fleet currently consists of 48 dry bulk vessels (4 Newcastlemax, 14 Capesize, 3 Post-Panamax, 4 Kamsarmax and 23 Panamax). The Company also expects to take delivery of one Post-Panamax dry bulk vessel by the middle of May 2017, one Post-Panamax dry bulk vessel by the middle of June 2017 as well as one Kamsarmax dry bulk vessel by the middle of June 2017. As of today, the combined carrying capacity of the Company’s fleet, excluding the three vessels not yet delivered, is approximately 5.7 million dwt with a weighted average age of 7.91 years. Cautionary Statement Regarding Forward-Looking Statements

Matters discussed in this press release may constitute forward-looking statements. The Private Securities Litigation Reform Act of 1995 provides safe harbor protections for forward-looking statements in order to encourage companies to provide prospective information about their business. Forward-looking statements include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts.

The Company desires to take advantage of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and is including this cautionary statement in connection with this safe harbor legislation. The words “believe,” “anticipate,” “intends,” “estimate,” “forecast,” “project,” “plan,” “potential,” “may,” “should,” “expect,” “pending” and similar expressions identify forward-looking statements.

The forward-looking statements in this press release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, our management’s examination of historical operating trends, data contained in our records and other data available from third parties. Although we believe that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to

predict and are beyond our control, we cannot assure you that we will achieve or accomplish these expectations, beliefs or projections.

In addition to these important factors, other important factors that, in our view, could cause actual results to differ materially from those discussed in the forward-looking statements include the strength of world economies and currencies, general market conditions, including fluctuations in charter rates and vessel values, changes in demand for dry bulk shipping capacity, changes in our operating expenses, including bunker prices, drydocking and insurance costs, the market for our vessels, availability of financing and refinancing, changes in governmental rules and regulations or actions taken by regulatory authorities, potential liability from pending or future litigation, general domestic and international political conditions, potential disruption of shipping routes due to accidents or political events, vessel breakdowns and instances of off-hires and other factors. Please see our filings with the Securities and Exchange Commission for a more complete discussion of these and other risks and uncertainties.
