**DIANA SHIPPING INC. ANNOUNCES DRAWDOWN OF US\$30 MILLION  
FROM A TERM LOAN FACILITY WITH THE  
EXPORT-IMPORT BANK OF CHINA**

**TIME CHARTER CONTRACT FOR M/V CORONIS**

**BOARD OF DIRECTORS AUTHORIZES SHARE REPURCHASE PLAN**

ATHENS, GREECE, May 23, 2014 – Diana Shipping Inc. (NYSE: DSX), (the “Company”), a global shipping company specializing in the ownership of dry bulk vessels, today announced that yesterday it completed a drawdown of US\$30 million, through two separate wholly-owned subsidiaries, under a term loan facility it has signed for up to US\$30 million with The Export-Import Bank of China having a majority interest and DNB Bank ASA as agent. The proceeds will be used to partially finance the acquisition costs of the two Ice Class Panamax dry bulk vessels, the m/v “Crystalia” and the m/v “Atalandi”, which were delivered to the Company on February 20, 2014 and May 12, 2014, respectively.

Additionally, the Company announced that through a separate wholly-owned subsidiary, it has entered into a time charter contract with Oberon Holdings Limited for one of its Panamax dry bulk vessels, the m/v “Coronis”. The gross charter rate is US\$11,550 per day, minus a 5% commission paid to third parties, for a period of minimum eleven (11) months to maximum fourteen (14) months. The charter is expected to commence at the beginning of June 2014.

The Coronis is a 74,381 dwt Panamax dry bulk vessel built in 2006.

This employment is anticipated to generate approximately US\$3.8 million of gross revenue for the minimum scheduled period of the charter.

Separately, the Company also announced that the Board of Directors has authorized a share repurchase plan for up to US\$100 million of the Company's common shares. However, the Company is not obligated to repurchase any shares under the plan.

Diana Shipping Inc.'s fleet currently consists of 38 dry bulk vessels (2 Newcastlemax, 10 Capesize, 3 Post-Panamax, 3 Kamsarmax and 20 Panamax). The Company also expects to take delivery of 2 new-building Newcastlemax dry bulk vessels and one Kamsarmax dry bulk vessel during the second quarter of 2016. As of today, the combined carrying capacity of our fleet, excluding the three vessels not yet delivered, is approximately 4.21 million dwt with a weighted average age of 6.73 years. A table describing the current Diana Shipping Inc. fleet can be found on the Company's website, [www.dianashippinginc.com](http://www.dianashippinginc.com). Information contained on the Company's website does not constitute a part of this press release.

### **About the Company**

Diana Shipping Inc. is a leading global provider of shipping transportation services through its ownership of dry bulk vessels. The Company's vessels are employed primarily on medium to long-term time charters and transport a range of dry bulk cargoes, including such commodities as iron ore, coal, grain and other materials along worldwide shipping routes.

### **Cautionary Statement Regarding Forward-Looking Statements**

Matters discussed in this press release may constitute forward-looking statements. The Private Securities Litigation Reform Act of 1995 provides safe harbor protections for forward-looking statements in order to encourage companies to provide prospective information about their business. Forward-looking statements include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts.

The Company desires to take advantage of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and is including this cautionary statement in connection with this safe harbor legislation. The words "believe," "anticipate," "intends," "estimate," "forecast," "project," "plan," "potential," "may," "should," "expect," "pending" and similar expressions identify forward-looking statements.

The forward-looking statements in this press release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, our management's examination of historical operating trends, data contained in our records and other data available from third parties. Although we believe that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond our control, we cannot assure you that we will achieve or accomplish these expectations, beliefs or projections.

In addition to these important factors, other important factors that, in our view, could cause actual results to differ materially from those discussed in the forward-looking statements include the strength of world economies and currencies, general market conditions, including fluctuations in charter rates and vessel values, changes in demand for dry bulk shipping capacity, changes in our operating expenses, including bunker prices, drydocking and insurance costs, the market for our vessels, availability of financing and refinancing, changes in governmental rules and regulations or actions taken by regulatory authorities, potential liability from pending or future litigation, general domestic and international political conditions, potential disruption of shipping routes due to accidents or political events, vessel breakdowns and instances of off-hires and other factors. Please see our filings with the Securities and Exchange Commission for a more complete discussion of these and other risks and uncertainties.
