**DIANA SHIPPING INC. ANNOUNCES DELIVERY OF THE ULTRAMAX DRY  
BULK VESSEL M/V DSI PYXIS AND ENTRY INTO TIME CHARTER  
CONTRACT WITH CARGILL OCEAN TRANSPORTATION**

ATHENS, GREECE, October 13, 2022 – Diana Shipping Inc. (NYSE: DSX), (the “Company”), a global shipping company specializing in the ownership and bareboat charter-in of dry bulk vessels, today announced that, through a separate wholly-owned subsidiary, it has taken delivery of the m/v DSI Pyxis (formerly “STH Montreal”), a 2018 built Ultramax dry bulk vessel of 60,362 dwt. The vessel is one of nine modern Ultramax dry bulk vessels that the Company entered into an agreement to purchase in August 2022.

The Company also announced that, through the same wholly-owned subsidiary, it entered into a time charter contract with Cargill Ocean Transportation Singapore Pte. Ltd. at a gross charter rate of US\$17,100 per day, minus a 4.75% commission paid to third parties, for a period of minimum ten (10) months to maximum twelve (12) months. The charter is expected to commence on October 15, 2022.

The employment of “DSI Pyxis” is anticipated to generate approximately US\$5.13 million of gross revenue for the minimum scheduled period of the time charter.

Including the newly delivered m/v DSI Pyxis, Diana Shipping Inc.’s fleet currently consists of 35 dry bulk vessels (4 Newcastlemax, 11 Capesize, 5 Post-Panamax, 6 Kamsarmax, 8 Panamax and 1 Ultramax). The Company also expects to take delivery of eight Ultramax dry bulk vessels in the fourth quarter of 2022. As of today, the combined carrying capacity of our fleet, excluding the eight Ultramax dry bulk vessels not yet delivered, is approximately 4.4 million dwt with a weighted average age of 10.34 years. A table describing the current Diana Shipping Inc. fleet can be found on the Company’s website, [www.dianashippinginc.com](http://www.dianashippinginc.com). Information contained on the Company’s website does not constitute a part of this press release.

## **About the Company**

Diana Shipping Inc. is a global provider of shipping transportation services through its ownership and bareboat charter-in of dry bulk vessels. The Company's vessels are employed primarily on short to medium-term time charters and transport a range of dry bulk cargoes, including such commodities as iron ore, coal, grain and other materials along worldwide shipping routes.

## **Cautionary Statement Regarding Forward-Looking Statements**

Matters discussed in this press release may constitute forward-looking statements. The Private Securities Litigation Reform Act of 1995 provides safe harbor protections for forward-looking statements in order to encourage companies to provide prospective information about their business. Forward-looking statements include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts.

The Company desires to take advantage of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and is including this cautionary statement in connection with this safe harbor legislation. The words "believe," "anticipate," "intends," "estimate," "forecast," "project," "plan," "potential," "may," "should," "expect," "pending" and similar expressions identify forward-looking statements.

The forward-looking statements in this press release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, Company management's examination of historical operating trends, data contained in the Company's records and other data available from third parties. Although the Company believes that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies that are difficult or impossible to predict and are beyond the Company's control, the Company cannot assure you that it will achieve or accomplish these expectations, beliefs or projections.

In addition to these important factors, other important factors that, in the Company's view, could cause actual results to differ materially from those discussed in the forward-looking statements include the severity, magnitude and duration of the COVID-19 pandemic, including impacts of the pandemic and of businesses' and governments' responses to the pandemic on our operations, personnel, and on the demand for seaborne transportation of bulk products; the strength of world economies and currencies, general market conditions, including fluctuations in charter rates and vessel values, changes in demand for dry bulk shipping capacity, changes in the Company's operating expenses, including bunker prices, drydocking and insurance costs, the market for the Company's vessels, availability of financing and refinancing, changes in governmental rules and regulations or actions taken by regulatory authorities, potential liability from pending or future litigation, general domestic and international political conditions, including risks

associated with the continuing conflict between Russia and Ukraine and related sanctions, potential disruption of shipping routes due to accidents or political events, vessel breakdowns and instances of off-hires and other factors. Please see the Company's filings with the U.S. Securities and Exchange Commission for a more complete discussion of these and other risks and uncertainties. The Company undertakes no obligation to revise or update any forward-looking statement, or to make any other forward-looking statements, whether as a result of new information, future events or otherwise.
